Peanut Scientists,

Attached is the second announcement for AAGB-2014 -- the 7th International Conference on Advances in *Arachis* through Genomics & Biotechnology to be held in November at the Savannah Marriott Hotel. Registration and hotel information can be found at the website <http://www.peanutsusa.com/aagb-2014>. The organizing committee has prepared an exciting program that reflects recent advances in peanut genomics and the conference will include presentations, posters, discussion groups and many social activities. We invite you to attend the conference so that you can both share your research accomplishments and to help set the agenda for peanut genomic science during the coming years.

Please note that the deadline for abstracts is August 1. Also, please pass along the announcement to your colleagues and students.

I look forward to seeing you in Savannah, and if you have any questions, please feel free to contact me ([tom\\_stalker@ncsu.edu](mailto:tom_stalker@ncsu.edu)).

Sincerely,

H. Thomas Stalker  
Chair, AAGB-2014
