Jeremy,

Please call in at 10 for the discussion of your proposal. There will be about 10 of us in the room and we will introduce them when you call in. The other proposal will be discussed at 11 so we will probably complete the discussion with you no later than 11. Thanks for work with us on this idea. We look forward to the discussion and your insight.

Here is the call in information:

Phone: [877-885-3221](tel:877-885-3221)

Passcode: 7066556

Thanks again for taking the time to call in,

Howard

Jeremy,

We are having a meeting in San Antonio at 10 AM (Texas time) on July 10.
Any chance you could join by phone?

I'm not sure what his schedule is, but we could ask. What time is the meeting? My calendar is messed up due to too many time zone changes.... I think it's 10 am on the 10th?

For discussion in San Antonio. Here is HA's official
quote for the diploids and the tetraploid.

This does not include any informatics work, but would
give us the raw data per the meeting in Athens and
subsequent discussions of the EC.
