I'm still waiting too. I asked a few weeks ago and was told they were waiting to be paid. The lawyer told me in September that he was approving the invoices, so either he didn't or mastronardi hasn't paid the lawyers or the lawyers haven't paid trews... Guess it's time to ask again. This is why we should ask for a \$10k retainer to be held. We would've been paid by now...

Hope to see you at PAG and down a tequila or three.

I'm in long beach now, about to head home after tri-society meeting. Not very exciting...

Dear Scott and Rajeev,

Just checking in to see if you might feel ready to start on the Legume Genetics and Genomics book. It seems to me that this would be very timely, and we'd really like to have such a book in the series, especially with you guys as editors.

Both Eric and I will be at PAG, so if that is a good time to discuss, we'll be available.
