Thanks. Should we go ahead and get the doodle poll out to get an idea of a date for the call with the organizers we have and add Dan later or just wait on him and do it all at once?

Jeremy,

Kathy Rader has verified the spelling of the names of the organizing committee. I have listed them below and also attached a copy of the list that contains contact information for the committee.

We have a link assigned for a doodle poll where the organizers may choose the best time for the call in August. In order to accommodate the international schedules the choice of times will be 8:00 am, 9:00 am and 10:00 am. This is the link http://doodle.com/8fpty9h773pi7n4n

Do you want to send the polling email or would you prefer that I do this?
