Hah. You missed a great time at Charlies...Just kidding:)

I will follow up with Dr. Silverthorne shortly and keep you appraised.

Safe travels.

Hi Scott

Sorry I didn't make it to 'Charlie's' for a beer with you, I literally had meetings up to the moment I jumped in the taxi to come to the airport.....

If you can update me once you have chatted with Jane it would be appreciated.

I look forward to hearing from you in due course
