제목 : Follow up to Seattle soybean meeting

Folks, Sorry for the late date. But would there be interest in having a follow up meeting to the SEattle meeting at PAG (San Diego) this year? If so, please let me know this week and I will find a time and room to do this. I think that Steve Cannon was able to get some funding to get the global inventory started. There may be other updates or items to discuss as well.

Thanks Scott

Hi everyone,

Details below on the meeting on the application of genomics for soybean genomic resources.

1) **Hotel:** I have a room block reserved at 15-17 April at the Seattle Downtown Courtyard Marriott (612 2nd Avenue Seattle WA 98104). **You need to immediately register your room** under your name and credit card. You can do so by using the following link: [Book your group rate for Germplasm and Genomics Meeting Room Block](#). The full link is at bottom of email in case the embedded link does not work.

There is a light rail (<http://www.soundtransit.org/Fares-and-Passes/Link-fares>) that will take you from the airport to 0.1 miles from the hotel (get off at Pioneer Square). The cost is \$2.75 USD.

2) **Proposed meeting agenda** (this is a beginning outline. If you have additional ideas/thoughts, please let me know).
