Hi Hannes,

Thanks for the offer. I wonder if I went to your place on Aug 6-8 and then rented a car to go to Monschau for the 8-9. I have to be there on the 8th to pick up the race packet and then the race begins at 8 am on the 9th, so it would probably be easier to be there. If I rent a car you won't have to worry about helping Luigi. By the way, if the move is on Friday or Saturday morning, I should be able to help with the move—happy to do so.

IS this ok for you? Thanks for offering to let me stay, very nice!

Scott

Hi Scott,

Sure, that would work, but you'd also be more than welcome to stay with us! We have plenty of room and it's only about 90 minutes drive from us to Monschau:

You could also take a train from the airport to our house (about 2 hours) and use our car, though I'll have to help Luigi move one of the days that weekend.

Cheers,
Hannes

Hi Hannes,

I'm planning my trip...

I fly in to Frankfurt on Aug 6 and depart the 12th. I am planning to rent a car in Frankfurt and drive to Monschau (the train takes ~7 hours according to Google). Stay there until after the race on the 9th and then drive to Bonn. I may take the car back to Frankfurt and then the train to Bonn, I'll see what prices are like.

Since you are more familiar with the area, does that seem reasonable to you?

Thanks, Scott
