Hi Rajeev, this should be fine. I will need to go from Hyderabad directly to Bonn, Germany for a EU project meeting. -scott

Dear Scott

Greetings from ICRISAT!

We are pleased to share that we are planning to organize the 3rd PAC meeting of the USAID project on Aug 4-5, 2015 at ICRISAT, Patancheru. Therefore we request you to mark your calendar and kindly make it convenient to attend the same. Please confirm your participation in the meeting by the return email.

Also please note that we are planning to have a field visit to Agricultural Research Station Gulbarga on Aug 4, 2015 and subsequently we will have the formal meeting on 5th Aug 2015 at ICRISAT. We will be sending details about PAC meeting and field visit in due course.

Many thanks and kind regards

Rajeev

Subject: Reg IIIrd Project Advisory Committee (PAC) meeting of the USAID project

Dear All,

This has a reference to our earlier email about the IIIrd Project Advisory Committee (PAC) meeting of USAID funded pigeonpea project entitled "Pigeon pea improvement using molecular breeding" that we were planning to convene on 17th Feb 2015 at ICRISAT, Patancheru.

In addition to receiving apologies from some PAC members for not being able to participate in the meeting because of their other schedules, some members suggested to postpone this meeting sometimes later near to completion time of the project. Based on these suggestions, we would like to propose to organize the next meeting sometimes in July 2015. We will get back to you about it in due course.

Please note that we are continuing with the Next Generation Genomics meeting (Feb 18-20, 2015). So in case you are planning to participate in it, please continue to receive updates on this meeting. We are looking forward to welcome you in the NGGIBCI meeting in Hyderabad.

Our sincere apologies for any inconvenience caused to you due to above.

Thanking you once again for all your help and support.

Many thanks and kind regards

Rajeev
