I think David & Soraya would be great. Scott Jackson is another good choice. Tom Stalker, Victor Nwosu, Peggy again, all good choices.

This award has been given since 1977 so I will give you the last 5.

2014 Baozhu Guo
2013 John Beasley
2012 Corley Holbrook/Tom Isleib
2011 Not given
2010 Peggy Ozias-Akins

We do have deserving people who have received the award twice. No one involved in the PGI has received the award other than those listed above.

We will be selecting the recipient of the 2014 Peanut Research & Education Award on December 9. There are a lot of people who deserve to be recognized and we hope you will nominate them. The winner receives an all -expense paid trip to the June meeting in Ashville, NC and a check for \$1,000. We have also award the PREA to teams in the past as well.
