All,

These are the people that have not replied to the Crops speaker invitation. If you know them well enough to give them a little push this would be great.

- Gary Atlin - BMGF (Sent the invitation and a reminder)
- Susan McCouch - Cornell University (Sent original and reminder)
- John Burke - University of Victoria (This was who Loren Reiseberg suggested in his place) Sent email and reminder.
- Todd Mockler- Danforth (Not written confirmation Jeremy said he will speak)
- Ismail Abdelbag - IRRI - Requested by Jean-Marcel to invite. Sent only the original email invitation.
- Mark Cooper - Pioneer - Requested by Jean-Marcel to invite. Sent only the original email invitation.
- Egesi Chiedozi - NRCRI - Requested by Jean-Marcel to invite. Sent only the original email invitation.

Thanks,
Deborah
