제목 : URGENT: Genomic characterization of world soybean germplasm collections

Hi Folks, Could I get a quick head count by response to this email as to those that are planning to attend this meeting? I need this to secure a room block and get a conference room for us.

just respond to me with a yes, and what days you plan to stay at the hotel:

example:

Yes, arriving 15th leaving 17th.

Thanks, Scott
