That sounds great. I'm doing the Marathon du Medoc in September which also combines wine with running.

I may need your help next week to get registered. The registration site is all in German.

Safe travels and see you Monday.

Too bad you are not here for the Ahrathon, which combines long-distance running with red wine drinking.... <http://ahrathon.de/>

As things stand at the moment, I should be around on the 9-10th of August. Monschau is a very pretty part of our neck of the woods, but it's also quite hilly - I take it for granted you read the thing about 750m altitudinal differences...? I fear I may not be up for that, but maybe I'll come along to cheer!

See you in Huntsville soon!  
Hannes

Hannes and Peter,

We are planning to have our phaseolus meeting on the 9-10 of August in Bonn (roberto, should be contacting you, Peter, regarding details).

More importantly, I hope you both are around. I am planning to run this marathon in Monschau (<http://www.monschau-marathon.de>). If either of you want to run the full, half or do the nordic walk, would love to have you join. Real men would run this:)
