we'll meet at the fountain and find a quiet place to talk.

FYI George is having surgery this Friday so David and Soraya will not be there.

It seems that only Brian, Nong and I will be available. Shall we meet briefly?

Rajeev, I have sessions before that.

What about 12:50 on Monday for a peanut meeting? I've copied the broader group here. I don't have a room, but we can get a head count by response to this email and find a place.

Thanks,

Scott

Brian you are the first I've heard from about the possibility of a meeting. I can email the broader group and see who is interested to meet. Unfortunately the Bertiolis will not be there. So discussion of the manuscript will be somewhat limited.

I was wondering if we are having a peanut meeting at PAG? Just trying to establish my overall schedule.

Thanks
