Hmm. They were a congressional earmark that lost their funding. I would push him for something higher. Our dean will be signing on behalf of UGA, if that's ok.

Hi Scott,

Need your advice on something.
Henry Nguyen signed the DivSeek letter on behalf of the National Soybean Biotech centre.
Who are they?
http://www.soybiotechcenter.org/about_us.cfm

Do we want them or should we push for the University of Missouri? We generally don't want single labs to sign up but rather institutions...

Thoughts?
Hannes
