Glad you had a good time, Rajeev. I was sorry to miss it but had travel here in US before and after the peanut meeting.

Thanks, Scott. I understand that many of you are in Savannah. I am sorry that I missed the meeting as I was participating in the Nature Conference on Agricultural Genomics organized by Nature Genetics, CAAS, CAS in Beijing. The meeting was really great!

Many thanks and kind regards

Rajeev

I'm attaching an Excel version as Jean-Marcel was having difficulty accessing the Google Doc version. Jean Marcel has some ideas to add but I also copied Rajeev and Jeff so that you three can coordinate on these speakers for the main sessions and the wrap up session on Thursday.
