Glenda:

Here is a list of the sources to pay T and F for each student. I don't have the account numbers, but Karen should be able to help you with that information. If you have questions, please give me a call tomorrow and I can clarify for you.

Bill

What you gave me was to bill your accounts for summer tuition paid on your behalf.

Below is for fall:

I have attached a spreadsheet with info from how everything was paid for the summer. Please see if everything is the same. The things that I need to know now are:

Account for their stipend:

In the past you have paid all tuition and fees for Dustin, Matt, Payne, Terry, Leo and Dan. Some of their tuition has been paid by OGS dependent on the account that their stipend was paid from. Rebecca's tuition was paid from OGS and fees from Quinby.

The students whose stipends are paid on state accounts qualify for OGS to pay their tuition, but I need to enter it in a different manner, that is why I need that information right away.

Karen, if you can help me with the stipend accounts, I would appreciate it.

thanks,
Glenda

Glenda:

I thought we did that a couple of weeks ago.

If not, what were we doing? Was that for summer? If so, why was that in August?

I'm going to be out of town for the this week, so it will be impossible for me to do this in person.

What I would tell you is that most will return to the funding sources of the spring (or the source that I thought I was paying them for the fall, before we moved them).

If you can come up with that list, I can tweak it with help from Karen tomorrow.

Bill

Dr. Rooney,

I have not entered any tuition and/or fees for your student because you have not gotten with me about how they will be paid and whether or not they are still to be on an assistantship.

As soon as I hear from I will enter their information. It is getting very late and they may have to pay and be reimbursed.

Thanks,
Glenda
