Thanks, Dave!

If the equipment in question has a useful life of more than 1 year and costs \$5000 or more, then it is listed in the equipment category and it is exempt from IDC.

Does that help? If you need more information, give me a call when you get a chance this afternoon.

I do not have the Budget justification done. I need to know if some IDC will be applicable to equipment needs -- these are needed; if not, I need to delete some work items. I will complete the budget justification this afternoon. I have guests all morning. You can try to reach me at lab, if urgent (tell that to whomever answers the phone).

I sent a budget last week; attached you'll find a justification, milestones and

timelines. Deliverables are still in the original proposal provided to DARPA in September.

These can certainly be changed; so feel free to do so as needed. I will be out for vacation this week but I will check my e-mail regularly.

Bill
