Subject: Terry's Harvest
Date: Thursday, October 01, 2009 2:12:20 PM

Hello everybody,

I am going to be harvesting my second planting next week and I need all the help I can get. The harvest is going to take place over a course of 4 days, the first one being on Monday the 5th. The next harvests are going to be that Thursday and Friday, with one more the following week. If you can make it, be at the office by 8 those mornings, and we will be harvesting only for a half day, till noon. Any help I can get will be greatly appreciated.

Let me know if you can be there,

-Terry
