Location: [REDACTED]

Description: Dear all

A gentle reminder of our next call on Monday at 10am EST – 3pm UK. I know it is early for those of you on Pacific time so apologies in advance. We will have two new people joining us: Bob Friedman (J. Craig Venter Institute) and Sentelle Eubanks (Project manager with Tony James' team)

We will discuss the CBD online forum and submissions, the environmental expert engagement, and if Heath can join, he will also give an update on IUCN.

I will send an updated 'volunteers' list before the call with the information I have received to date.

Wishing you all a lovely weekend

Best,

Isabelle
