Knowledge article REM-KB0002598:

Your list has been created. Here is the configuration that was used to setup your list. Please keep this email, as it contains your list password and information about how to manage your list.

If you need more information, please see the help web pages at

<http://lists.ncsu.edu/>

Here are some answers to the questions you're bound to have when you're just getting started.

How do I subscribe/unsubscribe folks to/from my list?

[ServiceNow Knowledge Base Article: REM-KB2617](#)

For more answers, go to:
