Hi All,

Please find an attached spreadsheet I have drafted up to help with focus area leads and organizational leads keep up with the program needs. Please give input as to what you think can make it more beneficial to you and I will update.

Also, please share with me (and I will compile) any meeting attendance and planned that relates to the GBIRD program. Give a brief overview of participation. I know multiple partners may be going to several meetings and this will allow us to work in a coordinated effort when presenting.

With Appreciation,  
Royden
