Good Afternoon All (US) and Good Morning (AU & NZ),

Along with supporting meeting notes and activity tracking, Jacob has put together this partnership map with me to help visualize the partnership and reinforce collaboration when possible. I think things are going very well in the strengthening partnership aspect – Joint work between NWRC and UofA for a USDA Biotechnology Risk Assessment Grant (BRAG), joint fundraising efforts between IC and NCSU, GBIRd presentation at AVPM Mtg, and of course DARPA efforts!! If I missed anything, please self-promote partnership strengthening efforts, as this will be key to our success!

Please keep up the great work and have a fun weekend!

With Continued Gratitude,

Royden

PS – if you have questions or comment re: the GBIRd map, please let me know.
