Subject: GBIRd Website; get in on the ground floor of the design!

Importance: High

Hey folks,

Claudio, Sara and I had another great GBIRd website pre-production conference with Tony Piaggio, John Godwin, Royden and Jacob on Wednesday.

We're trying for one more website pre-production conference with the remaining GBIRd leads and communications and outreach subcommittee members...This is an important first step to ensure we're on the right path with our initial designs and content development. Please complete the doodle poll below with your availability. I've tried to pick times that will work for our friends in AUS & NZ...If you cannot attend this meeting, and you want your ideas in on the ground-floor of the website design...do let me know and we'll set up a separate time to talk, 1:1. Please complete the poll by COB Wednesday, Pacific time...
