Good work on getting to this. With the mention of people's names – I'd suggest add one from every partner or drop them all.

There may be something from the abstract I put in to Dundee, or the one you sent to AU vert pest conf. that you may want to pull from. Your call.

No other comments.

Cheers,
Karl

Hi All,

A colleague at the Dept of Interior needs a 1-page overview for distribution. I have updated a draft from May (extensive updates needed J).

Please have a look if you can/want and get any suggestions to me by today. I will send on later tonight.

Many Thanks,
Royden
