

Subject: [gbird] NZ Parliamentary Commissioner for the Environment report

From: Daniel Tompkins <TompkinsD@landcareresearch.co.nz>

Date: 5/31/2017 4:39 PM

To: "gbird@lists.ncsu.edu" <gbird@lists.ncsu.edu>

Dear All

See the attached report – released yesterday by our ‘environmental watchdog’.

Documents clearly how NZ native birds are still in decline principally due to the impact of invasive mammals.

And then gives good credence to exploring genetic control tools for the mid to long-term solution.

Cheers, Dan.
