Looks great Karl!

Our little NZ project made it into *Science* this week, with an emphasis on the social science aspect!

**Subject:** [gbird] Manuscript

Dear GBIRD'ers,

Manuscript for Dundee Island Invasives conference attached. It is an overview of the program as things currently stand, and should be useful for potential funders and others.

For those that aren't already included (steering committee and 2 other co-authors) and would like to be co-authors, please reply directly to me (a YES if you'd like to be included) and I'd be happy to add your name.

Cheers,

Karl
