FYI- this happens only every 4 years and can be a good meeting to connect with other leading scientists working on agricultural, and conservation rodent issues...

Dear colleagues,

We announce that the joint meeting of the

6th International Conference on Rodent Biology and Management

and 16th Rodens et Spatium

will be held 3-7 September 2018 in Potsdam, Germany.

The joint meeting is an international forum for all involved in basic and applied rodent research. It provides a platform for exchange in various fields of rodent research including but not limited to behaviour, taxonomy, phylogeography, disease, management, genetics and ecology.

Please, mark the date and check <https://rodents2018.org> for further detail and to register to

receive conference announcements. Information will be updated as we get closer to the meeting.

We are looking forward to welcome you in Potsdam in 2018.

Best regards

Jana Eccard

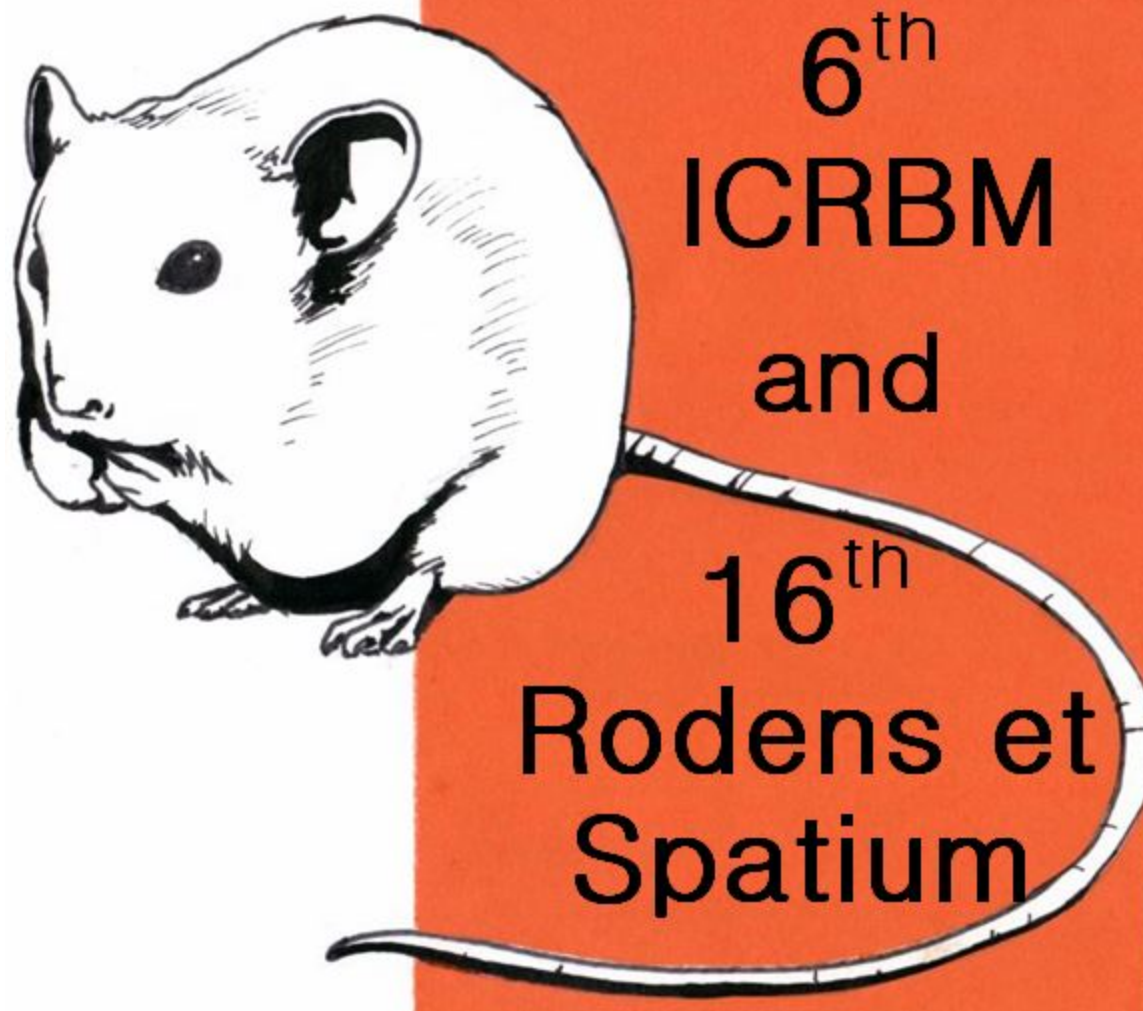

Jens Jacob
