**Subject:** [gbird] FINALIZED GBIRD MoU - Aug 28, 2017

Hi All,

Two milestones – MoU is formalized. Attached is a rough copy. Over the next week I will send out a signed copy to the signatories and share a better facsimile with the group.

Also – we have had clear indication that the sub-contract process from NCSU is moving forward rapidly now. I think we are ‘in the short rows’ to use an NC agricultural colloquialism.

Warm Regards,  
Royden
