Hi Dan,

I am trying to plan events based on who may attend the GBIRD/Safe Genes meeting. Did you invite Devon, and if so, do you know if he is coming or has confirmed? If he has (or even if not), should I reach out with updates, i.e. sharing updated agenda? I can put him on the electronic Calendar Invite and share the draft agenda if you are good with this.

I am thinking to propose a third day of very focused funding issues. I need critical mass for this, so am checking in.

Warmly

rs
