Hi Royden,

I'm trying to go through all my emails now.

Looks like you have me down for 10:20am on the 6th of Nov. That will be 3am in NZ- I don't think I can do that time!

Any chance we could shift it, NZ is 7 hours behind DC (at least according to my world clock converter). I think later in afternoon for you would be better for me.

-Edy
