Raleigh, NC 27695-7514

Dear Ms. Settle:

By letter dated February 26, 2013, as amended, the sum of \$694,820 was awarded to North Carolina State University, under the direction of Marce Lorenzen for support of the project entitled:

"Uncovering the Molecular Mechanisms of Selfish Genetic Elements."

The purpose of this amendment is to extend the end date of the grant from August 31, 2017 to February 28, 2018 without additional funds in order to allow for the completion of the agreed level of effort. The Foundation does not expect to provide further extensions to this grant.

Except as modified by this amendment, the grant conditions remain unchanged.

The cognizant NSF program official for this grant is Karen C. Cone (703) 292-4967.
The cognizant NSF grants official is Vanessa L. Richardson (703) 292-4839.

Sincerely,

Vanessa L. Richardson
