Dear Dr. Cheek:

The National Science Foundation hereby awards a grant of \$50,000 to North Carolina State University for support of the project described in the proposal referenced above . This award is expected to total \$50,000.

This project, entitled "Gene Drives: A Deliberative Workshop to Develop Frameworks for Research and Governance February 24-26, 2016," is under the direction of Jennifer Kuzma, Fred L. Gould.

This award starts August 1 , 2015 and ends July 31, 2016.

This grant is awarded pursuant to the authority of the National Science Foundation Act of 1950, as amended (42 U.S.C. 1861-75) and is subject to NSF Grant General Conditions (GC-1), dated December 26, 2014, available at http://www.nsf.gov/awards/managing/general_conditions.jsp.

This award is subject to the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance). NSF's implementation of the Uniform Guidance is contained in the Grant Conditions referenced in this award.

This institution is a signatory to the Federal Demonstration Partnership (FDP) Phase VI Agreement which requires active institutional participation in new or ongoing FDP demonstrations and pilots..

This award is subject to the Federal Funding Accountability and Transparency Act (FFATA) award term entitled, Reporting Subawards and Executive Compensation, which has been incorporated into the NSF Terms and Conditions referenced above.

If the awardee has any questions related to the pre-populated data associated with this award in the FFATA Subaward Reporting System, such questions should be submitted to: FFATAREporting@nsf.gov or by phone to: (800) 673-6188.

This award is made in accordance with the provisions of NSF 15-506 - Science, Technology, and Society.

All materials produced as part of this project, including electronic components such as World Wide Web pages, must include a clear indication of source(s) of support (both NSF and any other contributors.)

Funds provided for participant support may not be diverted by the awardee to other categories of expense without the prior written approval of the cognizant NSF Program Officer. Since participant support cost is not a normal account classification, the awardee organization must be able to separately identify participant support costs. It is highly recommended that separate accounts, sub-accounts, sub-task, or sub-ledgers be established to accumulate these costs. The awardee should have written policies and procedures to segregate participant support costs.

F.L. 26, "Administration of NSF Conference or Group Travel Award Grant Special Conditions," dated December 26, 2014, are applicable. See http://www.nsf.gov/pubs/policydocs/fl26/fl26_1214.pdf.

The attached budget indicates the amounts, by categories, on which NSF has based its support.

Please view the project reporting requirements for this award at the following web address [<https://reporting.research.gov/fedAwardId/1533990>].

The cognizant NSF program official for this grant is Frederick M Kronz, (703) 292-7283
The cognizant NSF grants official contact is Nicole Franklin, (703) 292-2649.

Sincerely,

Vanessa L. Richardson
